**FROM NAN COLVIN, REGISTRAR**

**Fall '06**

- **Schedule Verification and S/U Grade Election form** - You received an individual schedule verification and S/U grade election in your student mail folder. They must be completed and returned by **4:00 p.m. Friday, September 15, 2006.**
- **S/U Grading Option** - Each J.D. student may elect to take up to two upperclass courses at Cornell Law School on an S/U basis. At the close of Add-Drop students will be issued their schedule and grade option verification form. S/U grade elections, if made, shall be irrevocable. Students may not make this election in courses that they use to satisfy the Law School's upperclass writing requirement or the Law School's professional responsibility requirement. In addition, instructors may designate specific courses that they teach as not eligible for the S/U grade election. Check individual course descriptions in the on-line Fall 2006 Course Description memo (at the Course Registration link) for more information.
- **University Registration** is complete once tuition and other financial obligations have been met. Tuition statements and payment information were sent by the Office of the University Bursar in July. **Please** give special attention to the dates regarding tuition payment and finance charges. In addition to finance charges, **a \$350 late fee will be assessed beginning September 15, 2006.**
- **Registration Status** - Students will determine their own registration status by signing on to **UPortal and using Bear Access/Just the Facts.** Computers are available in the Saperston Student Lounge, the Computer Lab and the Foyer to determine your registration status. **Just the Facts** will direct you to the appropriate office if your registration is incomplete. You will need your NetID to check your registration status.

- **Bursar's Office** - If **Just the Facts** indicates your registration is on hold for financial reasons, you must first stop by the Bursar's Office, 260 Day Hall to clear your student account by **September 15, 2006**, and then proceed to the Office of the University Registrar, B7 Day Hall.

- **Bar Registration** - The rules of certain states (not New York) require notification of the intent to begin study of law or registration with the bar admission authorities when a person begins studying law. The student should obtain instructions from the proper authorities (usually the state board of bar examiners of the clerk of the court of highest jurisdiction) in the state in which the student intends to practice. The Registrar's Office has on hand bar information for interested students.

- **Release of information** - A reminder to all students: Students asking faculty members to write recommendations will need to complete a release form with the Law School Registrar's Office if the faculty member wishes to view the student's record. The release form is also available on the Registrar's website at the Academic Matters link:

<https://support.law.cornell.edu/students/forms/FormsLogin.cfm?action=ExamineRecord>

- **Attendance** - Regular attendance is required to sit for examinations, to receive a degree, and for certification to appropriate bar examiners. Irregular attendance or neglect of work may result in a student's being barred from taking an examination or being removed from the school.

- **Absences** - A student who must be absent from class for a period of three or more days should contact Associate Dean for Student Affairs Anne Lukingbeal and discuss the reasons for the absence.

- **Religious Holidays and the Academic Calendar** - The University policy concerning the academic calendar and religious holidays states, "In enacting the academic calendar, the University has scheduled classes, laboratories and examinations on religious holidays. It is the intent of the University that students who miss these activities because of religious observances be given adequate opportunity to make up the missed work." A faculty member may request audio or videotaping of a class if he or she wishes. Any student who seeks an accommodation should approach his or her instructor. All requests for taping must be submitted on-line to the IT Department at least 48 hours in advance. If you are requesting to videotape or record a professor's lecture, you must obtain the professor's permission prior to submitting an AV request. Students can find this request form on-line at the Registrar's site under *Academic Matters* or at: <http://www.lawschool.cornell.edu/informationtechnology/StuAV.pdf>

- **Room Reservations** - Room reservations are handled by the Law School Registrar's Office. Room reservations for all functions require advance notice of five (5) business days to process all necessary arrangements for staffing within a reasonable period of time. A reservation may be canceled if a classroom is needed to hold a makeup class. For room requests involving **AV support for after-hours or weekend events**, **10 days** advance notice is required.

- **October Fall Break** - Please mark your calendars. Fall break for all students begins **Saturday, October 7**. Classes resume Monday, October 16.

- **Past Notices** - Refer to previous issues of *Scoops* (available on-line in the Back Issues section) for information pertaining to transcript requests, certifications, etc.
