Week 3
Mon., Dec. 17  9:00 a.m.  Exam Day

To All Students:
1. An examination may be deferred only if a student has examinations scheduled in direct conflict with each other, two in one day, more than two exams in the first week, three in three days (same week), or four in one week. An examination week is Monday through Saturday.
2. No examinations may be taken before the scheduled examination period.
3. Any examinations permitted to be deferred will be rescheduled by the Administrative Committee at the earliest possible examination period consistent with the rules above.
4. All requests for deferral of examinations must be submitted to the Law Registrar, using the online Exam Deferral form, on or before 12:00 noon on November 2.
5. Students must arrive at their assigned exam room by 8:15 a.m. for an 8:30 a.m. exam, 8:45 for a 9:00 a.m. exam, 1:15 p.m. for a 1:30 exam.
6. Access to notes on your computer may be used only with faculty authorized open mode Exam4 software. All other permitted materials must be in hard copy.
7. Two (2) non-legal dictionaries will be provided in each exam room for any student in that room to use.
8. Requests for relief on any other ground will be granted by the Dean of Students only. Such requests must be written and submitted to The Law Registrar on or before 12:00 noon on November 2 unless based on an emergency. If an emergency arises, contact the Dean of Students as soon as possible.
9. All students are reminded to check the examination schedule before finalizing travel plans. Deferrals for travel arrangements will not be granted.
10. Take-home examinations: Students with take-home examinations are reminded that it is the policy of the Law School that the exam questions and answers must be handed in the day and hour specified. Extensions are not available for equipment failure (such as disk and printing problems) or other delays. The Registrar’s staff will not be able to assist you in remedying problems.
11. If a student’s laptop fails during the exam the student must immediately notify the proctor. The student must not turn off the laptop or attempt to do anything with Exam4. And the student must not reboot the laptop unless the proctor instructs the student to do so. The Registrar’s Office with IT staff will reasonably assist to resolve the situation. The student may be required to handwriting the remainder of the exam. After the exam has concluded, an attempt may be made to retrieve any incomplete exam from the student’s hard drive. If the incomplete exam cannot be retrieved within 24-hours, the Dean of Students, in consultation with the instructor, will determine remedial options, if any.
